Date: October, 2017

## Message from Inspector Colbert

Welcome to your October Newsletter. We have been making preparations for the Halloween and Bonfire night period which traditionally sees a rise in anti-social behaviour incidents. We will have additional patrols on the key dates with support from the Special Constabulary in order that we can effectively deal with issues as they arise.

Many thanks to those who attended our district engagement event in Costessey on 28th September. We have taken on board the issues raised and will continue to hold these events quarterly at different locations across the district. Our regular street surgeries continue and are an excellent opportunity for parishes to engage with their local officers and raise any concerns you may have within your communities.

## Message from your Engagement Officer

The Police and Crime Commissioner Lorne Green has regular formal meetings with the Chief Constable of Norfolk Constabulary to hold him to account for the policing service delivered in the county. These meetings are known as the Police Accountability Forum.

Members of the public are welcome to attend these meetings, which are held every other month in locations around the county. Each meeting is followed by a question and answer session, during which there is the opportunity to ask questions of both the PCC and Chief Constable.

Items on the agenda include how the Constabulary is performing against the PCC's policing priorities, how the police budget is being spent and financial planning for the future, and updates on major police investigations and initiatives.

**The next meeting is scheduled for 5pm on Tuesday 14 November in South Norfolk at the council offices in Long Stratton.**

The meeting will be followed by a public question and answer session at 7pm

## What is happening in your area

### Message from your Beat Manager Pc Sansbury

'Autumn is now in full swing, and with it comes colder and darker conditions. At this time of year, we start to see an increase in road traffic collisions. So to prevent accidents, can I respectfully request that the lights, tyres and wiper blades on your vehicles are checked. The end of October also brings the arrival of Halloween festivities. I have already sent 'Do Not Disturb' and 'Respect Others' Halloween posters to the Parish Councillors on my beat – the aim is to put these up outside homes and businesses to prevent anti-social behaviour. There are plenty of copies available at Poringland police station, if anyone wants some.

In other news, Poringland and Loddon SNT recently hosted a cake sale at Poringland Community Centre on 30th September. To date we have raised over £120 for MacMillan Cancer Support, and we are hoping to raise over £150 by selling the remainder of the goodies within the police station at Wymondham headquarters. Thank you to those that donated so generously.
