

14-19 Curriculum Continuity & Progression Symposium – 11th Dec 2019

You are invited to take part in this strategic conversation with the DfE and senior leaders from Norfolk's education, employment & training communities, the District and County Authorities and the New Anglia LEP.

The context for the Symposium are the current reforms to T levels, Apprenticeships, the changes at Levels 3, 4 and 5, together with the implementation of the new OFSTED Education Inspection Framework (EIF). Combined with a need for ever closer alignment, between education, training and the skill needs identified in New Anglia's Industrial Strategy, necessitates Norfolk's leaders in education, employment and training to evaluate and re-design the pre and post 16 curriculum.

This Symposium is being organised by the Education & Training Strategy Group (ETSG) and will take place on 11th December 2019 from 09:30m-13:00pm at the International Aviation Academy in Norwich.
