

# Wymondham, Costessey, Hethersett, Loddon & Poringland

April 2020

## Message from Inspector Burke Local Policing Commander

South Norfolk—Wymondham, Costessey, Hethersett, Loddon & Poringland

As Inspector for the Wymondham, Costessey, Hethersett, Loddon & Poringland districts I recognise that these are very different times since our last Newsletter and the recent Government announcement of a further extension to the current restrictions may be a worry to some in our communities. But I would like to reassure you that we are all in this together and I and my colleagues extend our sincere thanks to you all for your assistance by way of complying with the restrictions to #StayHomeSaveLives and #ProtectTheNHS. I would also like to express my thanks to all the local companies and residents for their support over the last few weeks. It is heart-warming to see such a positive community spirit and the support is very much appreciated by us all. I would like to assure you all that my officers are still here, we are still policing; continuing with business as usual with patrols, investigative enquiries, crime prevention and providing advice in the face of the current pandemic. On behalf of myself and my officers THANK YOU for your help and assistance and stay safe.

## What is Happening In Your Area

We just wanted to send you all a message from the Poringland Safer Neighbourhood Team during these challenging times we find ourselves in. Although we are having to find different ways of working and engaging we just want to let you know that your Beat Manager is still here for your community; dealing with local priorities and concerns. We have been out on foot patrols, and in vehicles getting to as many places as possible, hopefully some of you will have seen us and given us a wave. We are really keen to continue to hear from our communities about issues and concerns you have and as always we are reliant on you being vigilant and reporting incidents and information to us. This can be done through the normal routes, for instance if it's a crime in progress or threat to life always call 999, otherwise call 101, or use the online reporting forms at our website [www.norfolk.police.uk](http://www.norfolk.police.uk) or you can contact your local Beat Manager via email address [SNTPoringland@norfolk.pnn.police.uk](mailto:SNTPoringland@norfolk.pnn.police.uk). When we are able we will be holding our usual Street Surgery meetings where we will be able to provide you with a detailed update on local priorities. In the meantime there have been reassurance patrols in Poringland and the neighbouring villages, giving reassurance and advice around the Covid19 guidelines. Pc Locke recently dealt with youths causing concern at The Ridings Park, resulting in youths being reported for possession of cannabis. Pc Locke and colleagues have conducted regular bicycle patrols to engage with the public, particularly at Whitlingham Park, actively working alongside BroadsBeat Officers in an attempt to maintain public safety at the beauty spot. We have been fortunate in being well supported by Special Constables contributing their time to patrolling the area, as recently seen at Framing Earl where the Special Constabulary were seen out on horseback. Remember you can follow some of our activities on Twitter @SouthNorfPolice and Facebook - South Norfolk Police- you don't need to be signed up or registered to view these, although if you are signed up you can leave comments for us as another way to engage.

## Message from your Engagement Officer, PC Andy Hudson

Working together with the East of England Ambulance Service, Norfolk Fire and Rescue Service and other public services, Norfolk Police are encouraging communities to display sunflowers in their windows. These can be drawn, painted, knitted, or created in any other way. Homes which are seen displaying their sunflower display by officers, or members of the other blue light services, whilst on shift/patrol will receive sunflower seeds through the door which can be planted. Homeowners can then watch it grow over the coming weeks and months – with a beautiful sunflower to look forward to at the end.
